FAMILY ACCESS to Grades, Attendance, Fees

Didn't receive your lavender Family Access sheet? (They were mailed the week of Sept. 22.) If not, it's best to come in or phone the school. (Since it is often hard to tell from a phone call or an e-mail that it is actually a parent who is requesting a login or password, the usual policy is to not give out parent logins or passwords without face-to-face contact. ID may be required. This is to prevent others from taking over parents' Family Access privileges.)
